

## September 4-8, 2023

I'm praying everyone had a nice, relaxing four day weekend! I know I'm ready to get into the swing of things this week. Here are some general news and notes for the week:

★ Reminders:

- Please remember to send in a paint shirt and gym shoes for school. I had many children without both.

★ Chapel:

- Our offerings for the first quarter chapel will go to Operation Go! This is organized by Lakeside Lutheran, and it provides opportunities for the high school students to travel to other churches to help with projects and events.
- We will have a presentation Friday at 1:30pm in the gym. It will be a presentation all about Operation Go!

★ Classroom Procedures:

- This last week we learned many classroom procedures. Please continue to encourage your child to listen closely in the classroom. There are many things to still remember and learn :)

★ Reading bookmarks:

- I will now be sending home weekly reading bookmarks. This encourages children to practice reading at home. Please read the bookmark that was sent home and let me know if there are any questions.

★ Here's what we will be learning this week:

- Science we will study plants
- Math we will look at shapes, pictographs, and ordering numbers
- Christ Light we will learn about creation of man and woman and the first sin
- Superkids we will review letters
- Music we will start learning our song to sing in church Sunday, September 17th.

I enjoyed our first week together. Here's to week number two!

Mrs. Trimmer
