

September 11-15, 2023

I pray everyone had a great weekend. This last week was filled with much excitement, especially having a live animal in our playground garbage can. Interesting story to ask your child :) Here are some notes for the week:

★ Reminders:

- We have chapel this Monday. Blue envelopes were sent home Friday that can be used for mission Monday.
- Please make sure your child is getting enough rest. In general, students have been very sleepy throughout the day.

★ Reading bookmarks:

- Thank you for continuing to use the reading bookmarks. I appreciate your help at home.

★ Book Bingo

- It is amazing how much the students have gotten into book bingo! On our reading road challenge board, we have earned two class rewards so far. Keep up the good work!

★ Spelling Test

- We will be having a test on Friday. I have sent home the spelling list for the week in the red folders on the keep at home side. We will be practicing at school, but please reinforce at home.

★ Here's what we will be learning this week:

- Science we will study plants
- Math we will look at bar graphs, ordinal numbers, some more and some went away problems
- Christ Light we will learn about Cain and Abel and the Tower of Babel
- Superkids we will be working with consonant vowel consonant (CVC) words and memory words. We will take a test Friday.

God's blessings on your week!

Mrs. Trimmer
