

## September 25-29, 2023

Progress reports were sent out on Friday. If anyone has any questions, please feel free to contact me. Here are news and notes for the week:

★ Reminders:

- I still have two children without paint shirts. If you are not sure if that is you, please message me.
- Make sure the superkids reader books get back into your child's backpack for school every day. We use them to read at school as well.

★ Chapel:

- Our Lakeside Operation Go! Presentation was moved to this Tuesday at 1:30pm. Please feel free to join if you can.

★ Memory work

- I continue to have many children not reciting Bible verses to me. Now that we have been in the swing of things for a couple weeks, you might notice grades lowered for not saying the memory work. Remember the goal is to provide our children with a firm foundation for life.

★ Singing in church

- Reminder we will be singing Sunday, October 8th in the 10:00am service at St. Stephens.

★ Superhero Day!

- Kids are allowed to dress up like superheroes for a special presentation this coming Friday, September 29th. The presentation is at 2:00pm if anyone would like to come. Also on this day, first grade will be having show and tell. They may bring in anything they think is SUPER!

★ Here's what we will be learning this week:

- Science we will do many apple science activities to prepare for the fall.
- Math we will look at solid shapes, adding doubles, writing addition problems
- Christ Light we will continue to learn about Abraham.
- Music we will start learning our song to sing in church October 8th. We are also practicing high and low and echo songs.

God's blessings!

Mrs. Trimmer
