

December 4-8, 2023

We have started to study Advent in our classroom. We turn around a new block and light our candles each day. It has been a joy to prepare for Jesus coming! Here is the news and notes for the week:

- ★ Reminders:
 - We continue to support our Vietnam mission on Mondays.
 - Keep filling out your worship attendance sheets in your red folder.
 - Return the Christmas even slip of paper if you have not.
- ★ Pup Pup Cuddles
 - Thank you Rowyn for having Pup Pup this weekend. Flint will take him home this next weekend.
- ★ Memory Work Schedule
 - The second quarter memory work schedule will no longer be used. I have sent home a sheet with the Christmas Eve service things we will be working on. Please work on them at home and we will also work on them at school. They will not be said for memory work.
- ★ Christmas Party and Gift Exchange
 - On Friday December 22, we will have a classroom party and gift exchange. If your child would like to be part of the gift exchange, please bring a gift of no more than \$10. Boys will buy a gift meant for a boy. Girls will buy a gift meant for a girl. I will send out more information as the time gets closer.
- ★ Gingerbread week
 - We will do many activities dealing with gingerbread men this week. If the kids have any gingerbread books at home that they would like to bring in, that would be fun!
- ★ Here's what we will be learning this week:
 - Science we will study light.
 - Math we will use a hundred chart, study symmetry, and compare numbers.
 - Christ Light we will learn about Moses and Pharaoh in Egypt.
 - Superkids we will talk about doubling consonants, memory words, and using OR and AND.
 - Music we will continue to learn Christmas service music.
