

February 19-23, 2024

I hope everyone enjoyed their long weekend and took some time to relax. Now, we get into a couple normal length weeks of school. Here are the notes for the week:

★ Reminders:

- This quarter we are supporting Richland Center. We have chapel every Monday. Thank you for those who have been supporting our mission!
- Keep filling out your worship attendance sheets in your red folder.
- We are still working on flashcard calendars for the month.

★ LITERACY NIGHT Friday, February 23

- If you have not seen Mrs. Cooper's email about literacy night, please check your fast direct. It is a chance for kids to listen to stories, do activities, eat snacks, and win some book prizes playing Bingo. Please sign up ASAP via the link so we can have a goodie bag ready for you 😊

★ Reading Month

- March starts reading month. We will be celebrating reading month by doing an in class book exchange. Each child can bring in one or two books to exchange with classmates. If they bring one book, they will get to pick a new book. If they bring two, they will get to pick two. Only students who bring in books will be able to receive or exchange books. We will do this on Friday, March 1st. Please bring in the books on that day only!

★ Here's what we will be learning this week:

- Science we will study animal behaviors and do a research report with kids from other classes.
- Math we will do addition facts that equal 10, compare and estimate measurements, draw congruent shapes, and draw line segments.
- Christ Light we will learn about Ruth.
- Superkids we will learn contractions, finish opinion paragraphs, and learn compound words.
- Music we will learn our song to sing in church Sunday, February 25th.

Mrs. Trimmer
