

March 25-29, 2024

Welcome back from spring break! I pray whether you traveled or stayed home that you were able to enjoy time as a family. Let's hope this next week brings us a little nice weather and takes that snow away! Here are notes for the week:

★ Reminders:

- This quarter we are supporting a new mission. We are supporting Martin Luther College, our school of ministry. This is where the majority of our pastors and teachers come from.
- Keep filling out your worship attendance sheets in your red folder.
- No school Friday March 29 or Monday April 1 because of Good Friday and Easter

★ Market Day

- Market Day is Thursday. Please make sure to send your child's completed project in that day!

★ First Grade Book

- First grade is publishing our own book! We are going to work very hard at finishing the majority of it this week. There is the chance for you to personally order a copy of our book. I am not 100% sure on the cost, but please reach out if you would be interested in purchasing one!

★ Holy Week Study

- This week instead of our normal Christ Light stories we will be studying the events of Holy Week. Some packets will be coming home with activities I highly encourage for you to do together with your child. I will keep it on the return to school side so you are aware it is there.

★ Reading bookmarks

- As you may have noticed, I have not been sending home reading bookmarks for the week. I want the students to keep reading at home, but I want them to start to realize there are books besides the Superkids that they are capable of reading. So please, make sure you are reading at home as we are reading at school. Show your child that reading is full of fun and adventure and that they can start to pick their own books out to read!

★ Here's what we will be learning this week:

- Social studies we will have market day.
- Science we will start to study different types of weather.
- Math we do an assessment, add with higher amounts of money, and do 3D shapes.
- Christ Light we will do Holy Week activities.
- Superkids we will learn the soft G sound, finish our books pages, and review the parts of a sentence.
- Music we will work on note values and learning our Easter song.

Mrs. Trimmer
