

## April 22-26, 2024

Welcome to a new week! We are almost to May and the students have started their countdown to summer. There are about 24 days left! Here are notes for the week:

★ Reminders:

- This quarter we are supporting a new mission. We are supporting Martin Luther College, our school of ministry. This is where the majority of our pastors and teachers come from.
- Keep filling out your worship attendance sheets in your red folder.

★ Midterms will go out this week. Please be watching for them.

★ We are finishing the body this week. If anyone would still like to bring body books, they surely can!

★ Remember to send in your permission slips for the field trip this week. A reminder we are going to Luther Prep on Thursday, May 2 for their play.

★ Here's what we will be learning this week:

- Science we will study our bodies.
- Math we are drawing and identifying polygons and subtracting.
- Christ Light we will learn stories about Elisha, Naaman, and Jonah.
- Superkids we will learn AR and OR words, finish descriptive paragraphs, and brainstorm fiction stories.
- Music we will work on studying a hymn for the week and boomwhackers.
