★ Awards Night

- On Monday, May 20th, 5-8 grade will receive awards. Grades 3 and 4 will play some music. Kindergarten will have a small graduation. All grades will be displaying art. Please come for fellowship from 6-8pm. The night ends with ice cream from our PTS Raiders Dan.

★ New Second Grade Teacher

- If you haven't seen the news, we have received a second grade teacher on graduation/assignment day at Martin Luther College. Her name is Amber Wenman. Please keep her in your prayers and she moves to Beaver Dam and becomes a teacher to our children at St. Stephens.

★ Thank you!

- I just wanted to say thank you for a great year. I've enjoyed having your kids. I've made lots of fun memories with them. I pray that you have a very enjoyable summer and can spend some quality time with your kids. God's blessings and we will see you all next year!
