

August 26-30, 2024

Welcome to the first week of first grade! I pray you all had a blessed summer. I look forward to working with all of you to fill your children with knowledge and most importantly to grow their faith. Here are some notes for the week:

★ Reminders:

- We have chapel every Monday. The money we give will go towards Luther Prep Project Timothy. This is a project that sends high schoolers throughout the nation to help preach God's Word.
- There is an opening service shortly after 8:00am the first day of school. We would love for you to join us!
- This is a short week of school. We do not have school Friday, August 30 and Monday, September 2.

★ Students will be bringing home a red folder every day. Please take out the papers that say keep at home. If it is in return to school, please return. These things will be field trips slips, project notes, or uncompleted homework from school.

★ Reading bookmarks

- In the return to school side of the folder, you may see a piece of paper with readings they should do at home. Please sign when finished. For example, it might say to read a short story from the Superkids book on Monday. After reading it Monday, you would put your initials.

★ Here's what we will be learning this week:

- Science we will learn about being a scientist.
- Math we will review number ordering, writing, and graphing.
- Christ Light we will learn stories about the arrival of baby Jesus.
- Superkids we will review letters learned in Kindergarten, nouns, and writing with labels.
- Music we will work on high vs. low and loud vs. quiet.

Please let me know if you have any questions this week.

Mrs. Trimmer
