

September 16-20, 2024

I pray you all had a blessed weekend and tried to stay cool. This week will be quite warm again so make sure to send a water bottle to school! Here are notes for the week:

★ Reminders:

- I will be sending home a sheet with spelling words and a reading bookmark. Please work on them at home as we are working on them at home.

★ Science activity

- We will be talking about parents and their offspring. If you happen to have a family picture to send in physically or by email, please do so before class on Friday. We will use them as examples in science class.

★ Here's what we will be learning this week:

- Science we will learn about animals and their structures.
- Math we will learn ordinal numbers, story problems, and shapes.
- Christ Light we will learn stories about Jesus in the Temple and John the Baptist.
- Superkids we will learn the sound of CH and SH and discuss plot.
- Music we will work on beat and high/low notes

Please let me know if you have any questions this week.

Mrs. Trimmer
