

September 30- October 4, 2024

Welcome to the sixth week of second grade!

Here are some notes for the week:

★ Reminders:

- Thank you for all who sang on Sunday at Good Shepherd it sounded wonderful.
- We have chapel every Monday. The money we give will go towards Luther Prep Project Timothy. This is a project that sends high schoolers throughout the nation to help preach God's Word.
- Next singing date after the Children Choir is October 13, 2024 at the 8:00 at St. Stephen's where just 2nd Grade is singing.

★ Students will be bringing home a red folder every day. Please take out the papers that say keep at home. If it is in return to school, please return. These things will be field trips slips, project notes, or uncompleted homework from school.

★ Since Cold and flu season is coming our way I am realizing that tissues and hand sanitizer were not on the supply list. So to make sure that 2nd Grade can survive the cold and allergies season if you would like to contribute to help stock 2nd Grade with tissues and hand sanitizer. It would be greatly appreciated.

★ I am trying to plan a field trip that will happen on a Friday during October. I was just trying to get a feel for how many parents I would have as drivers for the field trip.

★ Here's what we will be learning this week:

- **Christ Light** we will learn stories about Jesus' first Miracle and Jesus heals the Official's w son.
 - Memory Work for this week.
 - **1 Peter 5:7 (due Wednesday 10/2)**
Cast all your anxiety on him, because he cares for you.
 - **5th Commandment with explanation (due Friday 10/4)**
You shall not murder.
What does this mean?
We should fear and love God that we do not hurt or harm our neighbor in his body but help and befriend him in every bodily need.
- **Math** we will learn :

- (Monday) Adding 10 to a single-Digit Number and adding of 9
- (Tuesday) Written Assessment 3
- (Wednesday) Identification and sorting of Geometric shapes
- (Thursday) Drawing Pictures and writing number sentences for “Some, Some More and Some Some, went away” stories
- (Friday) Dividing of shapes in half and fraction of shapes
- **Superkids** we will learn:
 - Decode and encode words with le and ng words.
 - Understand nouns and verbs
 - Personal narrative story planning
 - Spelling Words due 10/4
 - handle, middle, ring, strong, want, look, come, any, some, very, new, good
- **Science** will be learning how to interview people of Beaver Dam to learn about the past. Students will also be learning how they can learn about the past in different ways.
- **Music** we will work on the song we are singing as a class for October 13, 2024.

Please let me know if you have any questions this week.
