

## November 11-15, 2024

This is our last full week before Thanksgiving week and our last week of the food drive. Let's keep working hard in the classroom and in showing our love for Jesus through food! Here are the notes for the week:

### ★ Reminders:

- Reminder that we are supporting our WELS mission in the UK/London.
- We will be coloring our Stanley's on Monday and I will be sending them out shortly. You have one last chance to send in envelopes. Thank you!
- We do not have school Wednesday, November 27-Friday, November 29 for Thanksgiving.

### ★ Thanksgiving Celebration

- A note is coming home in the red folder Monday. Please fill this out by the end of the week as to how many people are coming. I need to arrange for seating and desserts. Thank you!

### ★ Working as a Team

- This week we really focused on problem solving and working as a team. It is a struggle at times to control our frustrations or differing opinions when working and playing together. Continue to encourage your child to problem solve in a God pleasing way:
  - Using our words kindly
  - Walking away briefly
  - Taking a breath before talking
  - Getting a teacher's help

### ★ Here's what we will be learning this week:

- Science we will study light and shadows.
- Math we will do subtraction and counting by 10s.
- Christ Light we will learn about Jesus teaching us about love and his care.
- Superkids we will learn more ED words where we double letters, writing our narrative stories, and properly writing sentences.
- Music we will work on our Thanksgiving presentation.

Please let me know if you have any questions this week.

Mrs. Trimmer
