

April 21-25, 2025

I pray everyone had a blessed Easter celebrating our Lord's resurrection. This week is a short week as we have no school Monday and field trip on Friday to the zoo. Here are the notes for the week:

★ Reminders:

- Our fourth quarter mission is Martin Luther College. This is the college that provides many of our WELS schools and churches with teachers and pastors.
- No school Monday, April 21

★ Class Pet

- Thank you Marley for bringing home our class pet.

★ Zoo Field Trip

- For the field trip Friday, please make sure to check the weather. We will be outside the majority of the time. I've looked ahead and it one of those temperatures where you could maybe have a coat, but maybe a sweatshirt. Also, make sure you send a cold lunch and drink for the day. We will also be having a small snack before we start the zoo trip so please have something available for your kids to eat.

★ Field Trip Friday, May 2

- There is a slip coming home Tuesday about a trip to Luther Prep for a play on Friday, May 2. Please send the money for that trip as soon as you possibly can. Sorry for the later notice. It got a little crazy with two field trips!

★ NO SPELLING TEST

- There will be no spelling test this week.

★ Here's what we will be learning this week:

- Math we will be learning 3D shapes and adding 3 single digit numbers together.
- Superkids we will not be using our book this week. We will be reading Fly Guy and doing different activities with it.
- Christ Light we will learn about Jesus Resurrection.
- Science we will be starting our plant unit.

- Music we will continue with our music lessons involving songs, rhythm, beat, and other music concepts.
- Gym class we will play a game with second grade and do fitness activities.
