★ FINAL THANK YOU

- I want to thank all of you for a wonderful year. It is amazing to see how you have supported your kids and myself throughout the year. I truly appreciate all the hard work you put in this year. I will miss all the amazing support I've received this year! A big thank you also to the kids. I have really enjoyed teaching this group of kids. They are all truly amazing and should be proud of how much they've grown throughout the year. Have an amazing summer and we will see you next year!
